

EARLY YEARS NEWS

Dear Parents & Carers,

We have finally made it to the end of the year! The children have grown up and are ready for their new classes in September. Some of them are moving on and will be sadly missed, but we also have many new children joining us in September and which is very exciting. Over the summer term we have been preparing the children for their transition and meeting the new children and their parents during open days and transition workshops. Thank you to all the parents that have supported your child by coming to these events.

We have been incredibly busy with many other events over the last few weeks. Firstly, Reception's trip to Brooks farm.

The children learnt how to feed the animals, explored the surrounding field for minibeasts and played in the fantastic playground. The children really enjoyed themselves, thank you to all the parents who joined us to make each trip such a success.

On Tuesday it was my first experience of George Tomlinson's International Day. What an amazing event! I was so impressed with how much effort the staff, parents the children went to, to make this event so special. Here is a wonderful poster that Vakare and her family made for the event, along with and Hussain in NPM

Reception Sports Day

I was so impressed with my first sports day at George Tomlinson, Jake and Jade did an absolutely fantastic job. It was incredibly well organised and the children had a great time. Thank you so much Jake and Jade and to all the parents that came along to support their children, it was a super morning.

Early Years Transition Festival

Our Early Years Festival in the science garden on Thursday was a great success and a lovely way to welcome our new parents and children to the school. The Reception children made a selection of delicious treats for them to enjoy. Thank you again to all the parents and Year 4 children that came to help out. We could not have done it without you!
