

EARLY YEARS NEWS

Dear Parents & Carers,

Welcome back after the half term break, I hope you and your children had the chance to get out and about. We have another very busy half term ahead with our children getting ready to go to their new classes and settings. The teachers have spent lots of time making sure the new classes are balanced for next year. They have also been encouraging children to make new friends as well as being caring and helpful to those friends already made.

You can see how the afternoon nursery works as a team, helping each other with the new sand!

With all the rain this week, we have been lucky to have an array of interesting creatures for the children to observe. Nursery spent lots of time looking and talking about snails this week in the nursery garden.
