

# WORKSHOPS AT GEORGE TOMLINSON

All of the George Tomlinson workshops have been selected to cater for the diverse needs of our school community. They aim to inform parents about the Key Stage 1, Key Stage 2 and EYFS curriculum, as well as to provide some inspiration and support.

Workshops will be run by differing staff members, across the school; please come to the George Tomlinson reception area for each workshop, where room locations and other information will be provided.

## CRECHE

All workshops are held at 3:30 so parents can attend right after they have collected their children. A crèche will be available for all workshops, in another classroom, led by another member of staff. Any babies or toddlers are welcome to attend with parents in their buggies or strollers.
