

WORKSHOPS AT GEORGE TOMLINSON

All of the George Tomlinson workshops have been selected to cater for the diverse needs of our school community. They aim to inform parents about the Key Stage 1, Key Stage 2 and EYFS curriculum, as well as to provide some inspiration and support.

Workshops will be run by differing staff members; as well as some specialists from outside the school community. Please come to the George Tomlinson reception area for each workshop, where room locations and other information will be provided.

Many workshops are run more than once - during the school day and also in the evenings, so that working parents are able to attend as well.

CRECHE

A crèche will be available for all workshops. Any babies or toddlers are welcome to attend with parents in their buggies or strollers.
