4PC Class Corner

It has been a busy time in 4PC with students busily writing comments for their reports. Thank goodness the hot weather has passed by for now.

With manageable temperatures the mood in the class is better. In English we are coming to the end of studying, 'Mouse Bird Snake Wolf', by David Almond. The children have loved the story and the superb illustrations by Dave McKean, and we have seen some great writing.

In Mathematics we have moved from symmetry to Tessellations. The students have really enjoyed the repeated pattern making which has linked in with our Art activities.

In Science, we are studying Living Things and Their Habitats. This has been quite a challenge, especially when moving into the area of classification systems. The children are getting to grips with the classification system slowly.

For R.E we are still studying Buddhism and the special celebrations that they have, especially the festival of 'Wesak', the birthday celebration for Buddha. For History we are nearing the end of 'Tudors', the children have just looked at Shakespeare (briefly) and going to move onto 'The Spanish Armada' battle.

We are looking forward to, obviously the holidays which is just around the corner, but before that Sports Day. Next week is French Day and we will be focusing on France for the day.

As they say in France - Au Revoir

Dear parents and carers,

We've had a very busy week at GT!

Eid Mubarak to all in our community who celebrated the end of Ramadan this week. I hope you enjoyed a very happy celebration on Monday! We offered some delicious Indian sweets and biscuits on Tuesday afternoon and I hope you got to have some!

On Tuesday I was very happy to attend the first of our Reception open days! Many of our Nursery children are moving up but we also welcome a large number of new families to our school community. We look forward to getting to know you all!

On Wednesday we welcomed birds of prey into our school hall! They visited Year 2 classes and were paid for by the PTFA - thank you very much! The children even got to wear the special protective gloves and experience the birds flying between them. A wonderful day for all involved.

As we approach the end of a very successful school year, we treated the children on Thursday to a special visit from the ice cream van! Every child and adult had an ice cream or lolly and it was wonderful to see how surprised and happy they were to hear the ice cream van music playing from their very own school grounds! We've achieved a huge amount this year and children have taken on board the changes with positivity and ease! Well done everyone!

I hope to see as many of you as possible at our Summer Fair on Sunday! The PTFA helpers have been amazing at ensuring this goes ahead and we are very grateful for all their hard work! It will be a superb day with a huge variety of stalls and games, food and drinks on offer. Make sure you buy a raffle ticket or ten so that you could be in with a chance of winning a top prize on the day! See you there from 1pm-4pm in the playground!

Do check the calendar dates coming up for the next two and half week because we have jam-packed activities, shows, visitors and experiences for the children between now and the end of the summer term! We hope you can join us for them.

Have a lovely weekend,

Verity Carter

Late Gate

We ask that all parents and carers are understanding of the late gate system. As the school gates close at 8:45am, Y1-Y6 must enter via the Y1 playground & Nursery - Reception via the Office. Before entering your child's name, class, reason for late & lunch arrangement will be asked. This information **must** be given to the staff, please cooperate to ensure that your child is registered correctly in school. Many thanks.

Let's fill Leytonstone & Leyton with Art!

We're covering our area with children's art work, ask your children to display their art work in the front window of your house this Summer. Take a walk to see all of the lovely art work displayed

Leytonstone Arts Festival 2017 - Junior Event

Saturday 8th July 2pm - 2:45pm Under 5yrs & 3pm - 4pm 6yrs + - Poet & Storyteller Jane Grell invites you to joining her family storytelling session of African-Caribbean Oral Tradition with rhythm games, rhymes, poems, stories and songs. This will take place at Leytonstone High Road Methodist Church.

**It's Our Around The World Day
6th Birthday!**

Yet again we wish to celebrate the diversity of our multi-cultural school by holding Round the World day events on what will be our 6th year anniversary!

Previous years have proved to be a success, with class activities, performances and food enjoyed by the children, parents/carers and staff community.

Are you available to offer your valued support this year that will help make the day another special event? If so, please come along to our special coffee morning where we can discuss the event further and register your ideas and support.
