Changes to our EYFS

Dear parents and carers,

I am writing to inform you of some exciting changes that we are putting into place for our Early Years provision.

Two year old provision

From September we will be accepting two year olds to our Nursery. We are lucky enough to have the expertise in Nursery amongst the staff and also the space to do so. We hope that this will enable us to welcome families to our school from an early age and will ensure that we are able to match the outstanding provision of other local schools.

Full time Nursery places

We understand the demand from parents to offer fulltime places in Nursery and we are happy to announce that from September we will offer 30 hour provision for our Nursery children if required.

Extended school provision for Nursery

With so many working parents relying on the extended school provision we offer at George Tomlinson, we will be offering places at Nursery Breakfast and After School Club from September. This should help families with older children already attending Breakfast/After school club as well as help working parents. We are also opening up our After School Club provision so that we can offer more places for children from Year R to Year 6 after Easter so if you are interested please put your name down.

Baby and Toddler groups

In addition to our weekly Baby & Toddler group on a Wednesday from 915am -11am we will also be offering a Baby & Toddler singing group on Thursdays from 915am – 11am. We welcome all parents and please mention this to any parents you know who may be interested from outside our school community too!

If any of the above interests you please email or speak directly to Jessica Mendelssohn the Assistant Head in charge of EYFS who will be able to add you to our waiting list and give you more information on this.

Kind regards,

Verity Carter
