Dear parents and carers,

We are delighted to announce that we have launched our new website. This gives a real feel for our school and is unique to the borough. We hope that this will further encourage families to join our school community as well as keep you up to date. I hope that the design is easy for you to navigate.

The website will be updated regularly and display photos and videos as well as information on what children are doing in school. You can link the events calendar to your phone so that you don't miss out and we also encourage you to follow us on the following social media platforms for further updates:

Twitter: [George_Tom16](#)

Instagram: [gtprimary](#)

YouTube channel: [George Tomlinson Primary School](#)

I hope you enjoy taking a look around!

Kind regards,

Verity Carter
Headteacher
