*Dear Parents and Carers,*

We have had a scorching and wonderful week here at GT! Please remember sun hats, water and sun cream for our final two weeks!

With the end of the year fast approaching, we are all incredibly busy, not only putting on events and celebrating this year's achievements, but prepping for the next academic year too.

Today the pupils were told who their teachers are for next year and I hope they are very excited! They will spend time with them on the 16th July in our 'meet the teacher' afternoon.

We have had more sporting events this week, with children going to the multi sports competition and coming back with medals, plus the rugby competition in which we came 3<sup>rd</sup>, even though it was the first time GT had entered it! Well done everyone! It is wonderful to see the confidence that these events give our pupils.

On Thursday it was absolutely wonderful to see so many of you in school as we celebrated International Day! Thank you to everyone who cooked and shared the amazing food that was on offer and a huge well done to all of our performers who sang, read poetry and danced so beautifully. It is so important to share and take pride in our diversity of cultures we have at GT and this is one of our biggest strengths. I am always blown away by how proud the pupils are to perform in their home languages and wear their national dress; it was such an emotional day! A huge thanks needs to go to Ms Ewa who tirelessly works on putting the whole day together every year!

Also on Thursday, our pupils who have been learning the violin, performed at assembly! Well done, you have all come a long way - keep practising and we will look forward to watching you perform again in the new academic year.

Today our Y5s have been out at Walthamstow Wetlands for a school trip, they have had a wonderful time and spotted coots, painted lady butterflies, lots of gorgeous bumble bees, dragonflies, fish, weeping willows and common knapweeds! What a great day to be outside!

Well done to all of our Stars of the Week for your achievements.

We have some very tired pupils now as we approach the final two weeks, so I hope they get a good rest this weekend! There are lots of end of year events coming up in the final ten days of school so please check the website and calendar for timings.

I hope you have a wonderful weekend with your families!

Kind regards,  
Verity Carter
