Dear parents and carers,

In our wonderfully diverse community we speak over 45 different languages and this is one of our key strengths. However, there are many parents who would like some support with learning English so that they can better support their children at home.

We would like to help support our community to learn English and are therefore **offering free English tuition classes for parents**, delivered by an experienced English language teacher. The sessions will start after Easter on **Wednesday 26th April from 6-7pm at school**. If they prove to be popular we may increase the sessions.

If you are interested in attending please contact Chantel.Etheve@georgetomlinson.waltham.sch.uk or put your name down at reception for a place.

Kind regards,

Verity Carter
Headteacher
