## Dear Parents and Carers,

This term is flying by; we are nearly at the end of Spring 1. I am happy to say we have seen some sunshine amongst the frost and rain, which means the children have been spending more time outside.

The children in nursery have been busy forming relationships and working together, negotiating whilst they play. Imrane, Aeysha, Yaser, Thanula and Luciano had to cooperate with each other, whilst enjoying their car run and Ruth helped steady Tahaa's huge train port tower.

Although we weren't expecting our younger children to dress up for Harry Potter, we still had a few that joined in the fun! Here are some children from Otters.

I particularly like Oluwabamise and Letty's creations!!!
