Dear Early Years Parents and Carers,

Welcome back to the summer term, I hope you and your children had a lovely break. It has been incredible to see how quickly the children have settled straight back into their classes, as though they had never left!

On Monday I was in Hedgehogs and the children were fantastic, I was particularly impressed by their immaculate behaviour! We have started reading Handa's Surprise, exploring, drawing and painting the different fruits in the story.

Monday was also National Offer Day when our Nursery parents were told which primary school their child will attend this autumn. It meant great news for us as we are almost full. I am so excited to welcome practically all our Nursery children back to school in September. It means a lot us and our children, that they can have the consistency and familiarity when they start school.

If you have any questions regarding your offer, please let me know and I can support you.

On Wednesday we practised our 'lock down' procedure. This is a drill to practise what we would do in the event of an intruder entering the premises. We do it annually and it's a very useful exercise that flags up any security issues, ensuring our children maximum safety. The children responded brilliantly, as always. I was with my toddler group and they were also amazing; it was over in a few minutes.

For the rest of the week we continued to enjoy, and soak up the sunshine! The children in nursery have been exploring the water outside and making assault courses. Our toddler group also enjoyed the sunshine on Wednesday as the children enjoyed playing with the sand and water.

Make the most of the lovely weather this weekend, and don't forget the sun cream.

All the best Jessica Mendelsohn

Well done for
settling in so quickly!

Nursery getting busy outside this week!

Thank you to all the parents who help their
child access their Easter Book.
The children have really enjoyed hearing
about what their friends got up to in the
holidays and sharing their writing and
pictures with the rest of the class. It is not
too late to support your child with anything
they would like to do in their book.

The children in Reception have been learning to observe their fruit closely as they paint, looking carefully at the colours and patterns. Well done Aila, Michael, Damian and Gintare for your wonderful detailed fruit paintings!
