

Date: Monday 30th April 2018

Dear Parents and Carers,

Thank you for getting involved in our discussion about the proposed new uniform for September 2018. Many of you took the time to attend our meetings, emailed me or came to chat to me about it in the playground and I appreciate the time taken and effort made to complete the online survey.

Throughout the consultation, we have been keen to hear your concerns as well as your positive views. Many of the comments you made were based around the potential cost of a new uniform, the lack of being able to hand down uniform to younger siblings and a lot of discussion was about the proposed colour change which made us realise there is real pride around GT's green!

The survey was undertaken and the results ended up being exceptionally close throughout but the request to not go ahead and change the uniform won by two votes! Therefore we will be **keeping our current uniform for September 2018**.

We will use this opportunity to clarify the expectations of our green uniform and will send out details before half term.

Thank you again for discussing this with us, I have learnt a lot about our community from this and have enjoyed hearing from you!

Kind regards,

Verity Carter
Headteacher
