HOME SCHOOL AGREEMENT

Name of child: _____

At George Tomlinson Primary School we continue to build a strong partnership between staff, parents and carers as we know this is important in helping children to achieve and to enjoy learning. We are determined to create an inclusive culture of learning where all children will be challenged in their thinking, to achieve to the best of their abilities and strive to become lifelong learners.

We will empower our children to become respected citizens to enable them to make valuable contributions locally, globally and to contribute to our world's sustainable future.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our Home School Agreement.

This agreement sets out what we can all expect of each other: parents and carers, all school staff, and children. It is intended to support our school vision, which is;

To inspire and nurture all children, through creativity and high expectations, to have limitless aspirations for their future and an enduring love of learning.
