

# George Tomlinson News

## *Dear Parents and Carers,*

I hope you are all well and have had a good week. You made it through an intense period of home schooling and from all of us at GT we want to say well done! It is great to know that we are now back into our routines and systems and have our full school back together again.

I'm sure there was anxiety before Monday's return but the children came bounding into school and seemed really happy to be being back! This week has been about settling the pupils back into their classes with their friends and making sure that well-being has been the priority. The teachers will be assessing and planning to ensure that all children have what they need in order to catch up. So far, staff have fed back to me that they are pleased with how their classes have adjusted and with the progress they have made. Walking around the classrooms it was as if they had never been away, although I think you may have a lot of very tired children on your hands this weekend!

This week we celebrated World Book Day once again with Craig the Storyteller visiting us and our wonderful dress up day! Thank you to everyone who made such great efforts in dressing up! Mr Foster has also organised your sponsored read and we have been sharing books from our own cultures in classes. Your child should have been given their book voucher too to spend!

As before, we are following the NHS advice about coronavirus symptoms. Please keep your child at home and get them tested should they display symptoms. PCR tests are used for anyone with symptoms, the lateral flow tests are for asymptomatic identification. Our updated risk assessment can be found on our website if you want to understand more about the daily precautions we are taking. Please remember it is vital that you wear a mask when entering the school premises.

I hope you have a lovely weekend with your families and I look forward to seeing you all next week.

Best wishes,  
Verity
