

George Tomlinson News

Dear Parents and Carers,

Dear Parents/Carers,

We had a very busy week, but we fully enjoyed it.

Children have been working brilliantly in class with most classes undertaking assessments, ready to show how much progress they have made from the last assessment. All teachers have been amazed at their pupil's determination, enthusiasm and attitude to school since they come back from lockdown. We will be using the data gathered from this diagnostic assessment to reconceptualise the teaching and learning, to address misconceptions, to integrate additional lessons into our topics and diminish the difference.

Since Covid rates are still a concern in our area, please take extra care. Thank you for complying with school rules when dropping and collecting your children, your understanding is a massive support for our school. As you might as well know, this week we have had SLT members isolating but they are all alright and looking forward to coming back to school.

Since our PE team also started to isolate due to a positive case recorded this week, we have acquired two new PE coaches who will be working with our school, starting from today until the end of next week. I met Jai and Kailen this morning and they looked very enthusiastic to be working with the children in our school. I showed them around the school, and they were impressed with the behaviour of children in every class.

Today they will be working with Year 3 and 4 classes, following that next week to cover the rest of the school. I asked the Year 3 children for feedback, and they told me that they had an amazing morning! :)

It looks like Spring has sprung today. I saw the smiles on our student's faces at playtime, and I hope they will wear them for the rest of the day!

Enjoy a sunny and warm afternoon and have a wonderful weekend!

Best wishes,
